

SACBC STATEMENT ON THE RELEASE OF HUNGER STRIKERS (2/9/91)

The SACBC calls for the release of the right-wing hunger strikers not only on humanitarian grounds but in order to stand trial.

The leaders of the victims who were seriously injured in the bombings are taking a just stance, these hunger strikers may themselves be victims of the system that condoned, if not ordered, their acts. So we ask that justice should prevail. In the name of our Lord, let us have no more blood on our hands.
